

Entry Form for EtherCAT Product Guide @ www.ethercat.org/products

Please carefully read the following guideline first:

www.ethercat.org/download/documents/ETG_Product_Guide_Rules.pdf

Company Name (with legal form)			
Company Website			
Product Name			
Category Selection <i>Please select the corresponding product sub category</i>	Main Category	Sub Category	
	Slave Devices	<input type="checkbox"/> Servo Drives <input type="checkbox"/> Inverter, VFD, VSD <input type="checkbox"/> Stepper <input type="checkbox"/> I/O Systems <input type="checkbox"/> Sensors <input type="checkbox"/> Gateways <input type="checkbox"/> Interface Cards <input type="checkbox"/> Hydraulic and Pneumatic Valve Systems <input type="checkbox"/> Operator Interfaces <input type="checkbox"/> Topology Component <input type="checkbox"/> Mechatronic Components	
		Master Systems	<input type="checkbox"/> Control Software: SoftPLC <input type="checkbox"/> Hardware: PLC, Motion, IPC, PAC, embedded
			<input type="checkbox"/> Test and Measurement Systems
		Development Systems, Tools	<input type="checkbox"/> Starter Kits <input type="checkbox"/> EtherCAT Slave Controllers <input type="checkbox"/> Slave Evaluation Kits <input type="checkbox"/> Slave Stacks <input type="checkbox"/> Master Stacks <input type="checkbox"/> Conformance <input type="checkbox"/> Communication Modules <input type="checkbox"/> Development Tools <input type="checkbox"/> Configuration Tools <input type="checkbox"/> Monitoring & Diagnosis Tools
	Functional Safety		<input type="checkbox"/> Safety Master <input type="checkbox"/> Safety Slave <input type="checkbox"/> Development
	EtherCAT P		<input type="checkbox"/> Devices <input type="checkbox"/> Infrastructure Component
	Training & Services		<input type="checkbox"/> Training <input type="checkbox"/> Development Services
	Components	<input type="checkbox"/> Media Converters <input type="checkbox"/> Cables & Connectors <input type="checkbox"/> Switches/Router	
Certified by an official EtherCAT Test Center		<input type="checkbox"/> Yes <input type="checkbox"/> No	
Name of Picture <i>Please do not forget to attach a product picture to your email</i>			

Product News Text (for preview text on front page below „Product News“; max. 200 characters incl. spaces)

Product Entry Keywords (for website search; up to 10 words; separated by comma)

Product Text (main text for product entry; max. 2000 characters incl. spaces)

Additional URLs for linking datasheet, own product pages or device description file (optional; up to three URLs)

Name of URLs (add one name for each URL entered above)
